WHY CHOOSE ULTIFRESH?

Anti-Odor

Our technology eliminates odor-causing germs on the fabric, leaving you feeling fresh all day long.

Anti-Bacterial

The Ultifresh fabric ensures that it kills over 99% of bacteria permanently upon contact.

Increased Durability

Our patented technology prevents microbes from living on the apparel, increasing longevity and reducing texile wastage.

ULTIFRESH

Eco-Friendly

We support water conservation efforts and reducing textile wastage.

Water Saving

Our apparels require lesser washing cycles, thus reducing water usage by up to 75%!

Cost Effective

With our increased durability, you save more due to lower turnovers and reduced washing cycles.

ISO 9001:2015 CERTIFIED

ISO 9001 is a globally recognized standard for quality management, performance, meet customer expectations and demonstrate our commitment to quality.

Ready Made

Ultifresh is a ready made apparel and suitable to be used for corporate, casual or any event.

SGS & INTERTEK TESTED

Ultifresh has been tested genuinely for being 99.94% stable.

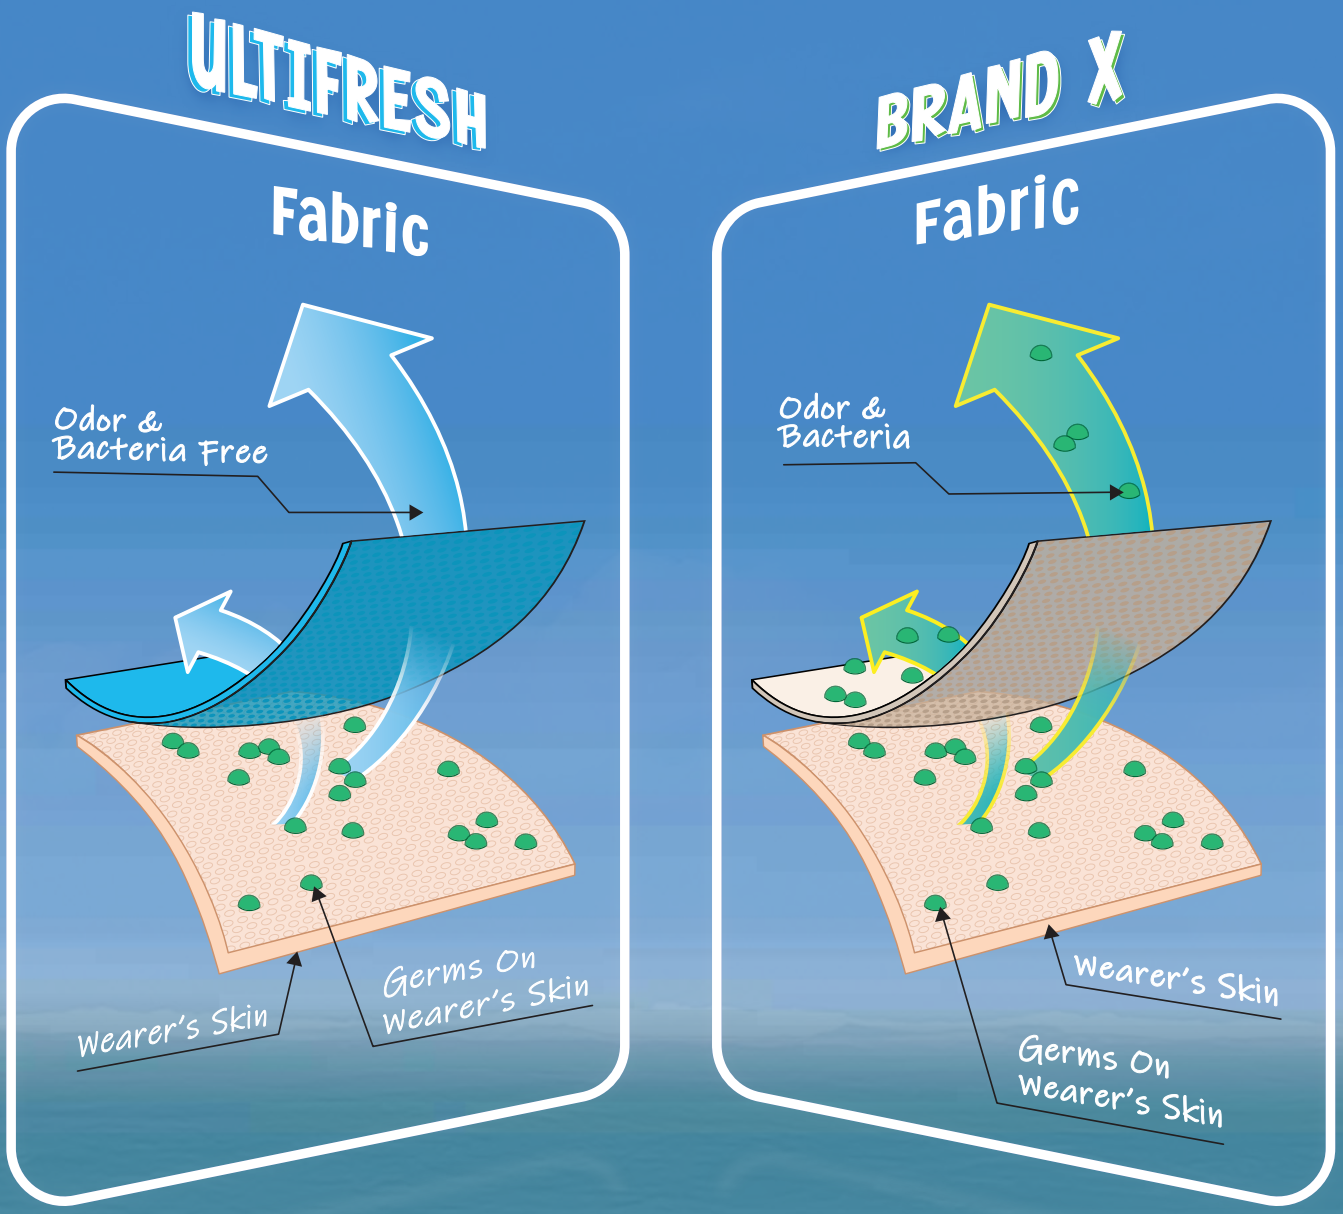

SGS intertek Total Quality. Assured.

DID YOU KNOW?

Did you know that Ultifresh is 3 times more sustainable compared to Recycled Polyester (RPET) apparels?

By rewearing your apparel multiple times before washing, you save at least 1.33l of water per use!

Ultifresh is a patented fabric technology that kills 99.94% bacteria permanently. The anti-bacterial & anti-odor features can be integrated into any fabric without affecting the outlook and the hand feel of the apparel.

Ultifresh products are designed with natural anti-microbial properties, allowing it to self uterlize. It can also prevent bacteria growth, making it a safer apparel for everyone.
